

COVER.1 COLLECTION

MIDJ®

Linee sottili e precise, come
un ritmo che attraversa lo spazio.
Un design che sceglie
la semplicità per trasformarla
in eleganza quotidiana.

Slim, precise lines, like a rhythm
flowing through space. A design
that embraces simplicity and turns
it into everyday elegance.

Nuove forme di contemporaneità

Cover.l è un progetto che rinasce: un classico che si rigenera per interpretare lo spirito del nostro tempo. La sua forza è la versatilità: dialoga con luoghi diversi, si trasforma senza perdere identità, evolve con coerenza per migliorare il quotidiano.

La famiglia comprende sedia, sgabello e lounge, ampliando le possibilità d'uso tra casa e contract. Le cuciture disegnano le forme con grazia sartoriale, mentre l'introduzione del cuoio aggiunge calore e carattere.

Un distanziatore in polipropilene integrato protegge i rivestimenti durante l'impilaggio, separando le sedute ed evitando sfregamenti: una soluzione pratica e stabile, ideale per progetti ricettivi. Disponibile in tutti i colori della palette Midj e personalizzabile nei materiali, unisce funzionalità e stile, trasformando la semplicità in contemporaneità.

New shapes of contemporaneity

Cover.l is a project reborn: a classic reinvented to reflect the spirit of our time. Its strength lies in versatility: it adapts to different spaces, transforms without losing its identity, and evolves with consistency to enhance everyday living.

The collection includes a chair, stool, and lounge, expanding its range of use across home and contract settings. Tailored stitching gracefully outlines the shapes, while the addition of hide brings warmth and character. An integrated polypropylene spacer protects the upholstery during stacking by separating the seats and preventing abrasion—a practical, stable solution, ideal for hospitality projects.

Available in all colors of the Midj palette and customizable in materials, it combines functionality with style, turning simplicity into contemporaneity.

Officina delle Idee

Abbiamo scelto di ripensare Cover.1 come si fa con un classico: rispettandone l'anima ma rendendola attuale. Linee più morbide, nuovi materiali e un carattere più versatile ci hanno permesso di proiettarla nel presente. Cover oggi esprime una contemporaneità fresca, capace di adattarsi a spazi e linguaggi diversi.

We chose to rethink Cover.1 the way one approaches a classic: by respecting its essence while making it contemporary. Softer lines, new materials, and a more versatile character allowed us to bring it into the present. Today, Cover expresses a fresh sense of contemporaneity, able to adapt to different spaces and styles.
